KALUNA GADYANGA

FRONT-END INTERNSHIP

PROFESSIONAL SUMMARY

Motivated Front-End Developer Intern with a strong foundation in HTML, CSS, JavaScript, and React. Familiar with basic backend concepts using Node.js and PostgreSQL. Passionate about building responsive web applications and continuously improving technical skills. Additionally, I have research experience in robotics education, focusing on implementing basic robotics in the Independent Curriculum to enhance student engagement. Eager to learn and contribute to a dynamic development team.

WORK EXPERIENCE

Front-End Developer (Self-Project)
Personal Portfolio Website │ 2025

- Built a personal portfolio website using React and Vite for fast performance
- Designed the UI with CSS to ensure responsiveness
- Implemented smooth navigation and interactive elements for a better user experience
- 🔗 Live Website: https://kaluna7.github.io/My-Portfolio/
- 🔗 GitHub Repo: https://github.com/Kaluna7/My-Portfolio.git
